

are located

books are located in the reference section in the Library, on your right as you enter the Library. Reference materials may not be removed from the Library. Topics covered include:

Encyclopedias, dictionaries, and thesauruses

Occupational outlook handbooks, management handbooks

College/vocational school catalogs and local organizations

Sciences such as chemistry, studies of animals, medical reference books such as prescription/nonprescription drugs, toxins, poisons, drug interactions and the human anatomy

Directories of publications

are books that instructors have placed on reserve for students to use. Reserve items are kept at the front desk and can be checked out for a period of two hours. You must have a Library card in order to check out reserve items.
