The Registrar's Office verifies VA beneficiaries' registrations after the Add/Drop period of the semester.

Veterans Benefits and Transition Act of 2018 (Section 103)

Effective August 1, 2019, 'covered individuals' using Chapter 31 Vocational Rehabilitation and Employment Program or Chapter 33 Post 9/11 GI Bill

requirements in any other state, any U.S. Territory, or the District of Columbia. Contact the state regulatory agency for nursing in any other state for which this information is needed.

The associate degree nursing program is approved by the New Hampshire Board of Nursing (NHBON). Upon satisfactory completion of the program, the graduate is eligible to apply to the New Hampshire Board of Nursing (NHBON) and Pearson VUE NCLEX Candidate Services for the National Council Licensing Examination for Registered Nurses (NCLEX-RN). The New Hampshire Board of Nursing's licensing regulations may restrict candidates who have been involved in civil or criminal legal proceedings. Questions about licensing restrictions should be addressed to the New Hampshire Board of Nursing, 121 South Fruit Street, Concord, NH 03301.

The associate degree nursing program at Great Bay Community College located in Portsmouth, NH is accredited by the Accreditation Commission for Education in Nursing (ACEN); 3343 Peachtree Road NE, Suite 850; Atlanta, GA 30326 (404) 975-5000. The most recent accreditation decision made by the ACEN Board of Commissioners for the associate degree nursing program is Continuing Accreditation. View the public information disclosed by the ACEN regarding this program at <http://www.acenursing.us/accreditedprograms/programSearch.htm>

The US Department of Education has eliminated the Gainful Employment regulations for GE Disclosures. That link is being removed from our website and all materials.

- The emphasis of the course is planning, preparing and implementing developmentally, culturally and linguistically appropriate activities and environments for preschool aged children. Students will use observation and assessment techniques to determine individual child goals for development. They will participate in and observe the design of an engaging environment, the use of materials, and healthy interpersonal relationships and how they impact play, learning and discovery. Students will apply intentional, evidence-based strategies to plan experiences and implement activities. Evaluation of the learning environment including sensitivity to cultural diversity will be conducted. Students will complete 30 hours of observation and assist in a preschool setting as part of a lab requirement for this course. Prerequisites: ECE100G or equivalent with a C or higher, place into ENGL110G unless waived by
